13<sup>th</sup> March 2023

Dear Parents and Carers

With the Italy trip fast approaching, we would like to invite students and parents to a virtual information evening on **Tuesday 18<sup>th</sup> April at 6.00pm**. Here we will be able to share details about the hotel, what to pack and provide finer details about the itinerary. We will also be clarifying details about getting to and from the airport.

Students have been given by hand a medical form to complete (an electronic version is being sent out with this letter). Please can we ask that this is filled out and returned to their Geography subject teacher by **Tuesday 21st March**, as there are details that the company require about dietary requirements for the hotel.

Rayburn Tours also require passport details for all participants on the school trip, and we are required to carry a coloured photocopy for all participants on the trip while in Italy. Therefore, can I ask that your child **brings their passport into school** and gives it to their **Geography teacher** so that they can photocopy the page that shows the passport number, date of issue, date of expiry and country that it was issued. This will be handed straight back to them. Please remember that participants are required to have 6 months left on their passport before it expires before travel. Could this also be completed by **Tuesday 21st March** please, as the Tour company need the passport details before Easter. If you wish to photocopy the relevant page from the passport (A4 and colour) yourselves and send in with your child, that is fine.

Yours sincerely

Mrs E Taylor  
Head of Geography
