Dear Parents and Carers

### Fundraising for our future

Our fantastic new eight classroom teaching block will open in September 2020 and I am writing to ask for your support in equipping this exciting new facility, which will replace our outdated mobile classrooms.

While we could furnish the new block with existing equipment from the old classrooms, we would prefer to buy new furniture without spending funds intended for teaching and learning. We are therefore launching a crowdfunding campaign to raise £50,000 for new tables, chairs, interactive whiteboards and outside seating areas. If you can help us to achieve this target, we will be able to equip the new classrooms to the highest standard, provide the best possible learning environment for your child and offer an enhanced break and lunchtime space.

All donations to our campaign will be gratefully received and can be made at Charity Checkout (<https://chenderit.charitycheckout.co.uk/donate>), You will also find the link in Parentpay. If you are able to Gift Aid your donation, the campaign will benefit from an extra 25% at no cost to yourself. (Cash and cheques would also be gratefully received). Please choose from the following donation options:

1. Contribute a sum of your own choosing
2. Donate an amount that will allow us to purchase a specific item (see attached)
3. Sponsor an entire room (see attached)

We would also love to hear from local businesses and companies interested in corporate sponsorship opportunities. Please help us to reach our target by spreading this message to family, friends, ex-pupils, your employer or anyone else who could support us. We plan to create a commemorative plaque or book of our supporters, including options for major sponsors.

We look forward to keeping you informed about our progress in the coming months.

Yours sincerely

Jane Cartwright
