18 October 2019

Dear Parents and Carers

I would like to invite your child to participate in a science enrichment day at Warwick Arts Centre, on Friday 6<sup>th</sup> December 2019. The sessions are highly interactive and engaging and the presenters have been selected to inspire and challenge students. There will be demonstrations and audience participation delivered by leading lights in the science field.

- Marty Jopson – Does your phone cost the earth?
- Helen Pilcher – Bring back the King – the science of de-extinction
- Greg Foot – Everest lab
- Nick Barker – A room with a boom!
- Hayley Loren – The future of energy

Further information can be found at <https://thetrainingpartnership.org.uk/study-day/gcse-science-in-action-6-12-2019/>. The day will be fast moving, exciting, and thought-provoking, and will give students the chance to raise issues with the scientists. Each student will receive a useful revision guide to take home. In addition, an experienced science GCSE examiner will be there providing top tips to improve exam success, which will also be included in the booklet.

We are asking for a contribution of £29.50 to cover the cost of this educational visit. As per our charging and remission policy, this educational visit will only go ahead if we are able to cover the cost through voluntary contributions. We will leave Chenderit at 8.45am and should return by 4.00pm, so alternative transport home needs to be arranged if necessary.

I hope that you will allow your child to participate in what should be an interesting and inspirational day. Places are limited to 40 students; those who meet the payment deadline of Friday 25<sup>th</sup> October will be entered into a lottery and chosen at random. If you would like your child to attend, please complete the attached reply slip and return it to the Finance Office by Friday 25<sup>th</sup> October. Our preferred payment method is now online, via Parentpay. This can be accessed through the school website or directly at [www.parentpay.com](http://www.parentpay.com). Please contact The Finance Office if you need a Parentpay password or assistance. All trip payment records, instalment payments, and running balances can now be tracked online. (Cash and cheques will also be accepted).

If you have any questions please do not hesitate to contact me.

Yours sincerely

Dr C Haycock  
Joint Deputy Head of Science

Archery Road, Middleton Cheney, Banbury, Oxfordshire OX17 2QR
