Our ref: KS5/Yr12/Higgs Boson

Dear Parents and Carers,

13th June 2022

Lecture celebrating 10 years of the Higgs Boson – 4th July 2022

We have organised for our Year 12 Physics students to attend a lecture at Oxford University to celebrate 10 years since the discovery of the Higgs Boson on 4th July 2022.

The lectures will take place at the Martin Wood Lecture theatre in the Department of Physics.

There will be a number of speakers who have worked on ATLAS programme the Large Hardon Collider and are currently professors of particle physics at Oxford University.

The event is free to attend and the school will arrange tickets for the students. We are asking students to meet at Banbury railway station at 17.45 on Monday 4th July 2022 with the intention of getting the 17.55 train to Oxford. We would prefer students to purchase their own tickets at the station or using an app as this will allow students to take advantage of any discounts available using Student Rail Cards.

The lectures are scheduled to finish at 21.00 and we will be back at Banbury railway station for collection at 22.00 (subject to train times).

If there are any concerns over the arrangements please do not hesitate to contact me.

Yours sincerely,

Dr C Haycock
On behalf of Science

REPLY SLIP – HIGGS BOSON LECTURE – Monday 4th July 2022

I/We give permission for (Student's Name)..... in 12 (please enter tutor group) to go on the visit Oxford University, returning at approximately 10.00 pm.

Signed: Parent/Carer _____ Date _____

Reply to be given in to the Finance Office by Wednesday 29th June 2022, please.
