For students to be able to participate in educational visits, school organised events or school related activities good student behaviour is of paramount importance. If a student presents regular poor behaviours in school and/or we consider that the student presents a significant, unmanageable or unacceptable risk to the health, safety and/or welfare of that student or others on the trip, including the adult leaders, the student is unlikely to be able to participate.

If you have any particular questions or concerns regarding your child's participation in the trip, please don't hesitate to contact me.

Yours sincerely

Mr Dhesi
