'Visit Your Parents At Work Day' - April 2020

December 2019

Dear Parents/Carers,

Year 10 students are being offered the chance to take part in 'visit your parents at work day' as part of our Extended Project Day 4 and Year 10 Career Programme.

On **Thursday 23<sup>rd</sup> April 2020**, Year 10 students have the opportunity to accompany a parent (or other relative) to work.

This will involve students spending a day at their parent's/carer's or other family member's workplace and shadowing them throughout the day. By spending a day at work, we hope our students will understand the importance of working hard in school by learning first-hand what soft skills are required in the workplace as well as continuing to explore career options and the many destination choices and pathways that are open to them.

Students who participate in the day will be given a booklet to complete which is intended to help them recognise how the school curriculum and the world of work link. This will need to be completed by Thursday April 30<sup>th</sup> 2020.

Of course, we do need to ensure that appropriate steps are taken regarding young people's safety and insurance so I would be most grateful if you could complete the attached form, and return it to your child's form tutor ASAP or no later than **Friday 17<sup>th</sup> January 2020** at the latest, so that we can begin to organise the event.

**By signing it, you are stating that your child will be under your supervision or the supervision of someone you know during the Career day.**

We understand that not all parents/carers will have a workplace suitable to take their child to so we encourage you to ask other relatives or friends in order for your child not to miss out.

I hope that your child will be able to take advantage of this opportunity and I look forward to hearing of all the amazing experiences our young people will have in April 2020.

Thank you very much for your support and effort in making this a successful day for our students.

Yours sincerely
