Dear Parents/Carers,

**Re: Year 12 Edexcel AS and A level Mathematics textbooks**

We are moving into our fifth year of a new specification for the A level Mathematics course with new requirements.

The AS and A level Mathematics and Further Mathematics specifications now require students to use more advanced calculators than in the past. One option is to use the **Casio FX-CG50 graphical calculator**, which is a graphical calculator with all the functionality required by Ofqual. We have managed to secure a discounted price for this model in order to support your child in purchasing one. The cost is £69.95, payable through ParentPay from September. A second option is the CLASSWIZ **Casio FX991EX Advanced Scientific Calculator £20.50**, which has fewer functions.

To support your child, we will be using the **Pearson Edexcel AS and A level Mathematics and Further Mathematics (2017) textbooks**, which are fully updated to match the new specifications.

**For the AS level Mathematics course the following two textbooks are required:**

1. Edexcel AS and A level Mathematics Pure Mathematics Year 1/AS textbook + e-book £10.49
2. Edexcel AS and A level Mathematics Statistics & Mechanics Year1/AS textbook + e-book £5.24

**For the Further Maths course the following textbooks will also be required:**

1. Edexcel AS and A level Further Mathematics Mechanics 1 textbook + e-book £10.49
2. Edexcel AS and A level Further Mathematics Further Statistics 1 textbook + e-book £10.49
3. Edexcel AS and A level Further Mathematics Core 1 textbook + e-book £10.49

These textbooks will be available to order through ParentPay in the next few days.

The deadline is Friday 17<sup>th</sup> September 2021.
