7th January 2022

Dear Parents and Carers

Following on from the second Interim Subject report that you received for your child in December, you are warmly invited to attend our virtual Year 11 Subject Parents' Evening on Wednesday 19th January 2022 where you will be able to discuss your child's progress with their subject teachers. The evening allows us to share more detailed information with you about your child's progress so far this academic year and also allows you to ask any questions you may have that have arisen from the Interim Subject report you received last month. This is an important evening for our Year 11 students as the conversations and targets for improvement that are set will enable students to understand their current position with coursework and address any issues at this mid-point point in the academic year; helping them to prepare for the next round of Pre-Public Exams in February.

Due to the number of cases of COVID-19 in the local area, the evening will be held virtually, via the Parents Booking website. The evening will run from 3.45pm – 7.00pm and each appointment will last for five minutes. The online booking system is now open for parents to book appointment times with subject teachers, and closes at 9:00am on Wednesday 19th January; bookings will not be able to be made after this point.

To make your appointments please login at: www.parents-booking.co.uk/chenderit. Further details about how to log in to the platform can be found below and in the guide for parents/carers attached to this letter.

To login to the Parents Booking website you will need to enter:

- Your first name and surname
- Your child's first name, surname and date of birth

The login details you enter must match those we have on record for you. After you have made your appointments, you can choose to print or e-mail a confirmation of your appointment times.

On the day of your appointments, you need to log in at the website address above. You will be able to join the video meeting room 10 minutes prior to the start of your appointments where you will be able to wait for them to begin.

Chenderit Parent/Carer Survey

As a school, we greatly value constructive feedback which helps us to further the development and improvement of our school. As such, we regularly seek the opinions of our parents, carers and students as this helps us to improve and develop our provision further. Once you have completed your Parents Evening appointments, can I please ask you to complete our annual parent survey by clicking on the following link: <https://forms.gle/Uyv39vH3fJNkWJRq5>

I am going to add a small incentive for parents/carers to complete this year's survey! I will be collating a list of the returned surveys and randomly selecting the contact details from three surveys who will then receive a £15 Amazon Gift Card for the first drawn, £10 AGC for the second drawn and a £5 AGC for the third drawn. This opportunity will close at 11.59pm on Sunday 23rd January 2022. A completed survey will be randomly chosen on Monday 24th January and the winning parent/carers notified within the week.

If you have any further questions about the arrangements for the Year 11 Subject Parents evening, then please do not hesitate to contact me.

Yours sincerely

Mr T Holland
Head of Learning for Year 11
