Dear Parent/Carer

The science department would like to offer you the opportunity to support your child's learning in preparation for their A Level Biology examinations by purchasing the A Level Year 2 textbook.

Pearson produce textbooks and revision guides, which cover all aspects of the EDEXCEL A Level Biology course. Students have found this an invaluable resource in the past and we would strongly recommend their purchase.

We are able to obtain these books at a significantly reduced price when purchased through school. To order your copies please complete the reply slip below and return to the finance office. Our preferred payment method is now online, via ParentPay. This can be accessed through the school website or directly at [www.parentpay.com](http://www.parentpay.com). Please contact The finance office if you need a ParentPay password or assistance. All book payment records, instalment payments, and running balances can now be tracked online. (Cash and cheques will also be accepted). Please ensure all money is in by **Friday 23rd September 2022**.

Yours sincerely

Dr Cathy Haycock
