Dear Parent/Carer,

Re: A Level text books

Your child would benefit from having their own copies of two recommended text books: A Level lab book and the A Level Year 1 Biology text book. The books will support A2 examination preparation and their core practical work. Students have found these books to be invaluable and we would strongly recommend their purchase.

We are able to obtain these books at a significantly reduced price when purchased through school. To order your copies please complete the reply slip below and return to the finance office. Our preferred payment method is now online, via ParentPay. This can be accessed through the school website or directly at www.parentpay.com. Please contact The Finance Office if you need a ParentPay password or assistance. All book payment records, instalment payments, and running balances can now be tracked online. (Cash and cheques will also be accepted). Please ensure all money is in by **Friday 23rd September 2022**.

Yours sincerely

Dr Cathy Haycock
Science
