Points of Contact:

For general student issues the Form Tutor is the first point of contact. After this the Head of Learning or Head of Department (for subject queries) should be contacted.

Student Services should be contacted to report all student absence on a daily basis (to avoid first day calling – by telephone – 01295 711567 –) and confirmed by written and signed note. Text messages for student absence must be sent to 07860 002634. We will always contact home where a student is absent and no report of the absence is received. Our Attendance Officer can also be contacted via email – attendance@chenderit.northants.sch.uk

Emergency School Closures:

Any emergency closure announcement, for example due to severe weather conditions, is placed on the school website www.chenderit.northants.sch.uk and will normally contain further details and points for contact. In such eventualities, our VLE - 'Google Classroom' will contain emergency work for students to be completing.

Reporting to Parents:

The school's policy is to provide parents with at least three reports and a parents evening each academic year.

The reports provide a snapshot assessment of progress made during the academic year and the parent's evening provide opportunities for parents/cares to discuss your child's progress with his/her subject teachers. Appointments should be made with the subject teachers in advance of the parent's evening.
