**COVID-19 school closure arrangements for
Safeguarding and Child Protection at
Chenderit School.**

March 2020 until further notice

School Name: Chenderit School

Policy Owner: Mr Roddy Lloyd-Jones

Date: 30th March 2020

Date shared with staff:

1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response, who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Chenderit School's Child Protection and Safeguarding policy, March 2019 contains details of our individual safeguarding arrangements in the following areas:

1. Context	2
3. Vulnerable children	3
4. Attendance monitoring	4
5. Designated Safeguarding Lead	4
6. Reporting a concern	5
7. Safeguarding Training and induction	6

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputies) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Chenderit School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Mrs Jan Hooper Deputy Safeguarding Lead.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Chenderit School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Chenderit School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Chenderit School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Chenderit School and social workers will agree with parents/carers whether children in need should be attending school – Chenderit School will then follow up on any pupil that they were expecting to attend, who does not. Chenderit School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

Chenderit School will use the daily register template:

COVID 19 School Closure as from 20 March 2020 – in school attendance register – found - R:\Staff_Coronavirus Contingency March 2020\Register template

Staff will follow the daily routine and complete a register, communicating with other staff/people as appropriate:

Checklist for staff

- Be in canteen to receive students by 8.25 and after lunch where applicable
- Close register for am session – inform ALS if a home call is required to be made for absent students
- Register students and return form by 9.30am
- Circulate register to SLT/ Cat Wilke and Julie Macarthur
- Inform Mark Peace Cheney Travel by 12 midday who require pm transport
- M.Peace@cheneycoaches.co.uk

- Take pm register – save document by date each day on shared drive
- R:\Staff_Coronavirus Contingency March 2020\Daily register

Other routines and register safeguarding procedures are:

Deputy DSLs will regularly make contact, audibly/visually, as required, remotely through contacting vulnerable students/those with social workers, ECH plans and other nominated students on a rotating basis (ragged) between daily, every other day and every three days:

- call or sight of daily
- call or sight of every other day
- call or sight of every 3 days

Social workers of all children will be contacted on each Monday the school is open.

Other vulnerable students will receive weekly check in by phone call.

All actions will be recorded on My Concern.

To support the above, when communicating with parents/carers, Chenderit School will confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Chenderit School will notify their social worker.

Designated Safeguarding Lead

Chenderit School has a Designated Safeguarding Lead (DSL) and two Deputy DSLs.

The Designated Safeguarding Lead is: Mr Roddy Lloyd-Jones.

The Deputy Designated Safeguarding Leads are: Mrs Jan Hooper and Mrs Allison Smith.

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for coordinating safeguarding on site.

This might include updating and managing access to the child protection online management system, My Concern, and liaising with the offsite DSL (or deputy) and, as required, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school.

It is important that all Chenderit School staff and volunteers have access to a

trained DSL (or deputy). On each day staff on site will be made aware of whom that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy. This includes making a report via **My Concern** (online safeguarding software that all staff have access to), which can be completed remotely.

In the unlikely event that a member of staff cannot access their **My Concern** from home, they should email the Designated Safeguarding Lead, Deputy Safeguarding leads or Headteacher, requesting contact to be made, or by using the telephone numbers indicated towards the start of the policy document (Table 1). This will ensure that the concern is received personally, and safeguarding information is passed securely.

In the event of an emergency safeguarding issue, staff should follow the usual procedures, making contact with emergency services as, and where appropriate.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should use a purple form to report the concern to the headteacher, DSL or deputy DSL. If there is a requirement to make a notification to the headteacher whilst away from school, this should be done verbally and followed up with an email to the headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors, Ian Walker, through the Clerk to the Governing Body (jdavies@chenderit.net)

For concerns regarding staff, if they are unable to make contact with the headteacher, Jane Cartwright or the Chair of Governors, Ian Walker, staff should make contact with the LADO – Designated Officer LADOREferral@northamptonshire.gov.uk

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Chenderit School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

For movement within school, staff should seek assurance from the Deputy Safeguarding lead Mrs Jan Hooper, that the member of staff has received appropriate safeguarding training.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Chenderit School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Chenderit School is utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Chenderit School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Chenderit School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current national emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Chenderit School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety

Chenderit School will continue to provide a safe environment, including online. This includes the use of an online filtering system Visigo.

Where students are using computers in school, appropriate supervision will be in place, applications available, Visigo and Impero, as well as direct sight and monitoring.

Children and online safety away from school

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the staff code of conduct and teachers' standards.

Chenderit School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s - groups only are permitted
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be as plain as possible.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.

- Staff must only use platforms provided by Chenderit School to communicate with pupils
- Staff should record/save, the length, time, date of any sessions held.

Supporting children not in school

Chenderit School is committed to ensuring the safety and wellbeing of all its children and young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person and their appropriate Head of Learning (HoL) and/or deputy DSL's.

Details of this interaction must be recorded on **My Concern** in the appropriate sections, as a record of any remote contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Chenderit School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Chenderit School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at Chenderit School need to be aware of this in setting expectations of pupils' work where they are at home.

Chenderit School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on My Concern.

Supporting children in school

Chenderit School is committed to ensuring the safety and wellbeing of all its students.

Chenderit School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Chenderit School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of

spread of COVID19.

Chenderit School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on My Concern.

Where Chenderit School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – we will discuss them immediately with appropriate colleagues, including members of the governing body (e.g. Safeguarding Lead and Chair of Governors).

Peer on Peer Abuse

Chenderit School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where the school receives a report of peer on peer abuse, we will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on My Concern and appropriate referrals made.

March 2020.
