Entry requirements (Entry to A level courses)

Students should have achieved grade 5 in English and maths and a minimum of at least three C grades in their other GCSEs, including at least C grades in the subjects they wish to study at A level, where this applies.

To study modern foreign languages, students need a B grade in their chosen language.

For maths, the minimum is grade 7 in maths GCSE.

For physics and chemistry students need a grade 6 in maths and B in the sciences.

In exceptional cases, for example for a medical issue, we may consider varying these requirements

Students who have 5 C grades or above but do not have a grade 5 in either English language or maths (but not both) may study for a re-sit examination in November.

Courses for which you wish to apply

Using the subject sheet on page 3 complete the table below to indicate your chosen subjects.

- Please remember that Health & social Care is entered as 2 options (see options grid).
- Chenderit is able to offer selected NVQ courses for a limited number of students.
-

COMPLETE THE GRID BELOW WITH THE SUBJECT NAMES THAT YOU WISH TO CHOOSE:

A level option choices – please list your options in priority order and remember to ensure you can only pick one subject from each block.

Choice 1	Choice 2	Choice 3	Please indicate here if you wish to take a 4th A level for example Further Maths

Where subject choices do not reach the minimum group number the course will not offered – students will be contacted should this be the case.
