Entry requirements (Entry to A level courses)

Students should have achieved grade 4 in English and grade 4 in Maths. They should also have a minimum of at least three grade 4s or three grade Cs in their other GCSEs. This should include at least grade 4 / grade C in the subjects they wish to study at A level, where this applies.

To study:

- modern foreign languages, students need a grade 5 or above in their chosen language.
- maths, the minimum is grade 6 in maths
- biology, students need a grade 5 or above in combined science or in biology plus one other science
- chemistry, students need a grade 5 or above in maths, grade 5 in combined science or in chemistry plus one other science
- physics, students need a grade 6 or above in maths, grade 5 in combined science or in physics plus one other science

In exceptional cases, for example for a medical issue, we may consider varying these requirements. Students who have 5 grade 4s /grade Cs or above but do not have a grade 4 in either English language or Maths (but not both) may study for a re-sit examination in November 2018.

Courses for which you wish to apply

Using the A level Subject Choices sheet on page 3 complete the table below to indicate your chosen subjects.

- Please remember that Health & Social Care is entered as 2 options (see subject choices grid).
- Chenderit is able to offer selected NVQ courses for a limited number of students.

COMPLETE THE GRID BELOW WITH THE SUBJECT NAMES THAT YOU WISH TO CHOOSE:

A level option choices – please list your subject options in priority order and remember to ensure you only pick one subject from each list/block.

Choice 1	Choice 2	Choice 3	Please indicate here if you wish to take a 4th A level for example Further Maths

Where subject choices do not reach the minimum group number the course will not offered – students will be contacted should this be the case.

Relationship to applicant:

All applications should be received by the 12th January 2018. Although we cannot absolutely guarantee you a place on all your subject choices, meeting the deadline gives you the best possible chance. In addition, some courses may fill early and you could be put on a 'waiting list'. Late applicants may still apply but there may be some restriction on subject choice availability.
