## SCHOOL VISION

To pursue excellence academically and in all other spheres of school life.  
To achieve this we shall strive to:

- Inspire all students to engage in learning in the widest possible sense so that they develop the skills necessary to be successful in school, at work and in the wider community
- Develop aspirational students, staff and governors who understand that we are in competition with the global community
- Foster community-wide respectful, trusting, compassionate, empathetic relationships through which students and staff enjoy and achieve
- Support one another to become resilient, independent, adaptable and resourceful learners and leaders whose successes are celebrated
- Enable students, staff, governors, parents and carers to understand their role and to contribute effectively in supporting learning and progress and
- Develop a culture in which skilled and passionate staff draw on best local, national and global practice.

**Our community will continue to  
Aim High, Work Hard, Be Nice.**

## WE ARE A HEALTHY SCHOOL

- Eat breakfast every day
- Drink 8 glasses of water a day
- Snack on fruit rather than high salt/sugar snacks
- Get plenty of sleep each night (8 hours)
- Exercise at least 3 times a week for a minimum of 30 minutes (you should raise your heart beat and build up a sweat!)
- In the summer bring to school a hat, sun cream and extra water
- Smoking tobacco, using drugs and drinking alcohol will damage your health. It is also illegal. You and your belongings may be searched if you are suspected of bringing these items into school. Sanctions may follow and the police may be informed
- Wear a helmet when riding your bike to school

## NEED SOMEONE TO TALK TO?

Don't forget that Chenderit School offers every young person in years 7 to 13 a range of people who can be approached for help and advice. If we can't help then we know who can:

- Tutors
- Teachers
- Heads of Learning
- Inclusion Centre for any medical matters/well being
- Inclusion Centre (Mrs Hooper)
- Inclusion Centre (Mrs Smith) and
- Inclusion Centre drop in every Tuesday and Thursday lunch time.

## BODYEDGE: STUDENT HEALTH SERVICE

Free and **Confidential** information and advice on all aspects of health for young people.

Thursdays from 1.30pm every two weeks.

- General Health
- Sexual Health/Contraception
- Mental Health
- Support
- Friendly Staff

## LOST PROPERTY

- We actively encourage our students to take responsibility for their own belongings and to respect the property of their friends and peers.
- Leaving it unattended in tutor bases, can lead to it becoming lost, misplaced or even stolen. The property will be sent to the Lost Property Point. This will mean that all students will need to keep their possessions with them or in their lockers.
- Unclaimed items left in classrooms, particularly uniform and PE kit, can be reclaimed from the Lost Property Point – and if labelled with surname and initials – **these items will be returned to students via the Lost Property system.**
- Please check legibility of names regularly, i.e. after washing, school holidays.
- All lost property will be kept for 1 month and then it is donated to charity.
- The school does not accept liability for lost, misplaced or damaged possessions.

**Students are reminded to label all of their uniform and equipment**

## SECONDARY E- SAFETY STATEMENT FOR STUDENTS

We are encouraged to use and be aware of the safety rules and procedures which regulate our use of the ICT resources, including INTERNET. At Chenderit School, we are encouraged and allowed to access our curriculum network and the internet, enabling us to use vast resources and communicate, in support of research and education.

We insist that these facilities are used for educational purposes only and in an appropriate manner. We are responsible for our behaviour and communication. We know that any breach of the rules will be considered a disciplinary matter.

- We know access to the networked computer resources is our privilege and we follow our teachers' instructions carefully
- We make sure we have permission when we use the internet at school or at home. We must have our parents' permission before we can use the internet for our own independent research at school
- We do not access, create or display any material (images, sounds, text, and video) which is likely to cause offence, inconvenience or anxiety to ourselves or others. This includes materials which are offensive, violent or pornographic. We do not attempt to search for this material
- We always work thoughtfully when we are browsing the Web. We ask "Is it true?" We do not assume that information published on the Web or written in an e-mail is accurate or true. If we think something may not be right, we discuss it with an adult
- We keep our username and password private. We do not tell anyone. We never try to access accounts or files belonging to other students or adults
- When we use e-mail, we only write to other students in school or other people approved by our teachers in school
- We are careful about what we write. We check our work before we print or send anything. We do not use bad language. We do not write racist, sexist, abusive, homophobic or aggressive words. We do not write things that could upset and offend others to make sure that we do not give ourselves or the school a bad name. We do not write comments on Facebook or other social networking sites which might upset other people
- We do not ever give personal information about ourselves and anyone else, such as our address, telephone number and private details in an e-mail or on a Website. We know we could put ourselves or others in danger
- We do not respond to bad e-mail messages. We let our teachers know immediately if we are sent anything we do not feel comfortable with
- We understand that we are forbidden to use any technology designed to avoid or bypass school filtering controls. We know that these filters are in place to protect us from viewing websites that are unsuitable or unsafe for us
- We will report any incident that breaches the Acceptable Use Policy rules immediately to our teacher
- We know that we can go to [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) for help

## CAREERS EDUCATION AND GUIDANCE

At Chenderit School you will be involved in a range of activities to help you to consider the type of career direction you would like to take and also the possible routes you can take to get there.

This begins in Year 7 and continues through to Year 13, as you are constantly evolving and changing your ambitions and directions for life.

The key thing to consider is what are your hopes and dreams for the future and how are you going to achieve these.

### [The Careers Library](#)

The Careers Library is situated in the main school library and is open at normal Library opening times. The Careers Library contains a wide range of resources from College and University Prospectus' to specific job/career information.

Within the Careers Library there is also a Connexions Resource Centre, which contains information about Connexions issues, such as health, housing, your rights and the law, leisure and free time, money, relationships and travel and transport.

### Connexions

Connexions is a service available to all 13-19 year olds which aims to support them in planning and preparing for their future. They provide impartial information, advice and guidance on career related issues.

Our Connexions Choices Adviser is available to discuss any career issues with you. You can arrange to see the Connexions through your Learning Manager or Form Tutor.

Connexions can be contacted on [info@4you2.org.uk](mailto:info@4you2.org.uk)

### Information advice and Guidance – Your Future Your Career

Chenderit School helps young people to plan and develop opportunities for their futures.

Throughout a student's school career support with Impartial **Advice and Guidance** is available to students through various planned events, curriculum tasks and the schools tutorial programme. Students can investigate and research their own career choices.
