Section 4: Course Choices at Chenderit Sixth Form

Please study the subject blockings grid below to see where each subject sits within the 2020-2022 timetable. Consider your course choices carefully by consulting the entry requirements information contained within the Sixth Form prospectus, and also considering your future pathway and options post-18. If you require further guidance and support to make an informed decision, please contact a member of the Sixth Form Team and read the guidance provided on the Sixth Form section of the school website.

Block A Subjects	Block B Subjects	Block C Subjects	Block D Subjects	Block E Subjects
Chemistry	Physics	Maths	Music (4 hrs)	Biology
Media Studies	Psychology	German (4 hrs)	English Literature	Product Design
English Language & Literature	Government and Politics	French (4 hrs)	History	Level 3 Food Science and Nutrition
	Art - all	Sociology	Photography	Business Studies
	Theatre Studies	Geography	Further Maths (4 hrs)	Level 3 Health & Social Care Double
	Philosophy and Ethics (RE)	Level 3 Health & Social Care Single and Double	Sports Studies	

We aim to offer the widest range of subjects, but inevitably, there are practical constraints. Where student numbers in an individual subject mean that it is not economically viable, we may be unable to offer the subject, offer it with reduced contact hours (in a small group tutorial students can receive a high degree of individual attention) or, in some specific circumstances, amalgamate groups (for example teach year 12 alongside year 13). If we are in this position, students will be contacted directly to inform them and guidance will be given to support them in selecting a different subject, where this is appropriate.

Course Choices:

Please choose three (or four in exceptional circumstances) subjects that you wish to study from separate subject blocks and enter your choices in the table below. You do not need to choose a subject in each subject block. Please remember that the Health and Social Care Cambridge Technical Diploma is a double award and sits in two columns, and takes up two option choices.

Block A	Block B	Block C	Block D	Block E

Please note that these subject choices are not final. Students will be enrolled onto courses after they have received their GCSE results on 20th August 2020 and it has been checked that the entry requirements, as set out in the Sixth Form prospectus, have been met. As such, if students do wish to make changes to the subject choices made here, this can be done during enrolment on or after 20th August 2020.

If you have any other notes or questions about your course choices, please do not hesitate to contact a member of the Sixth Form Team.
