

# Mathematics GCSE

## ***What our students say:***

*“Having the chance to re-do GCSE maths was a great opportunity and I was surprised to find that I really enjoyed the course as I fully understood the mathematical ideas. I also very much appreciated the different relationship that I had with my teacher.”*

## ***Entry Requirements:***

Mathematics grade 3.

## ***Exam Board and Specification Link:***

Edexcel GCSE Mathematics A 1MA1: [Mathematics GCSE specification](#)

## ***What will you study?***

The examinations consist of the following topics: probability and statistics, number, algebra, and geometry and measure.

## ***Why study this subject?***

Do you need a further opportunity to secure that all important grade 4, 5 or better in Mathematics? This course looks at developing your mathematical skills and allows you to secure at grade 4 or above in the subject.

## ***How will you be assessed?***

This course is assessed using a single linear examination at the end of the course. All students will sit 3 papers (1 non-calculator and 2 calculator papers) at the end of the course in June. The course contains the same content as previously studied at GCSE during year 11.
